**AFFIDAVIT IN SUPPORT OF MOTION FOR DEFAULT JUDGMENT**

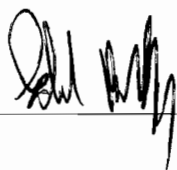

I, Philip C. Bellfy, declare under penalty of perjury that the following facts are true and correct to the best of my information and belief:

1. I am the lead plaintiff in this action.
2. Complaint was served upon the defendant on March 18, 2015, and no response has been served within the time allowed by law (21 days), nor has defendant sought additional time within which to respond, and Default has been entered against the defendant, Keith Creagh.
3. The claim of the plaintiff is for the Court to:

A. Immediately preliminarily enjoin Defendant, or other State of Michigan officers, employees, agencies, subdivisions, successors, or assigns, from approving the land transactions involved in the Graymont-Rexton Project.

B. The Court should also immediately preliminarily enjoin Defendant, or other State of Michigan officers, employees, agencies, subdivisions, successors, or assigns, from approving any land transactions that adversely affect the usufructuary, occupancy, or any other rights of American Indians throughout the 1836 Ceded Territory, throughout the extent of that Territory as it is detailed in the 2007 Inland Consent Decree.

4. The Plaintiffs also seek reimbursements for actual costs, and any other relief the Court deems appropriate.

Philip C. Bellfy – Lead Plaintiff

Subscribed and sworn to by Philip C. Bellfy before me on the 21<sup>st</sup> day of April, 2015.
